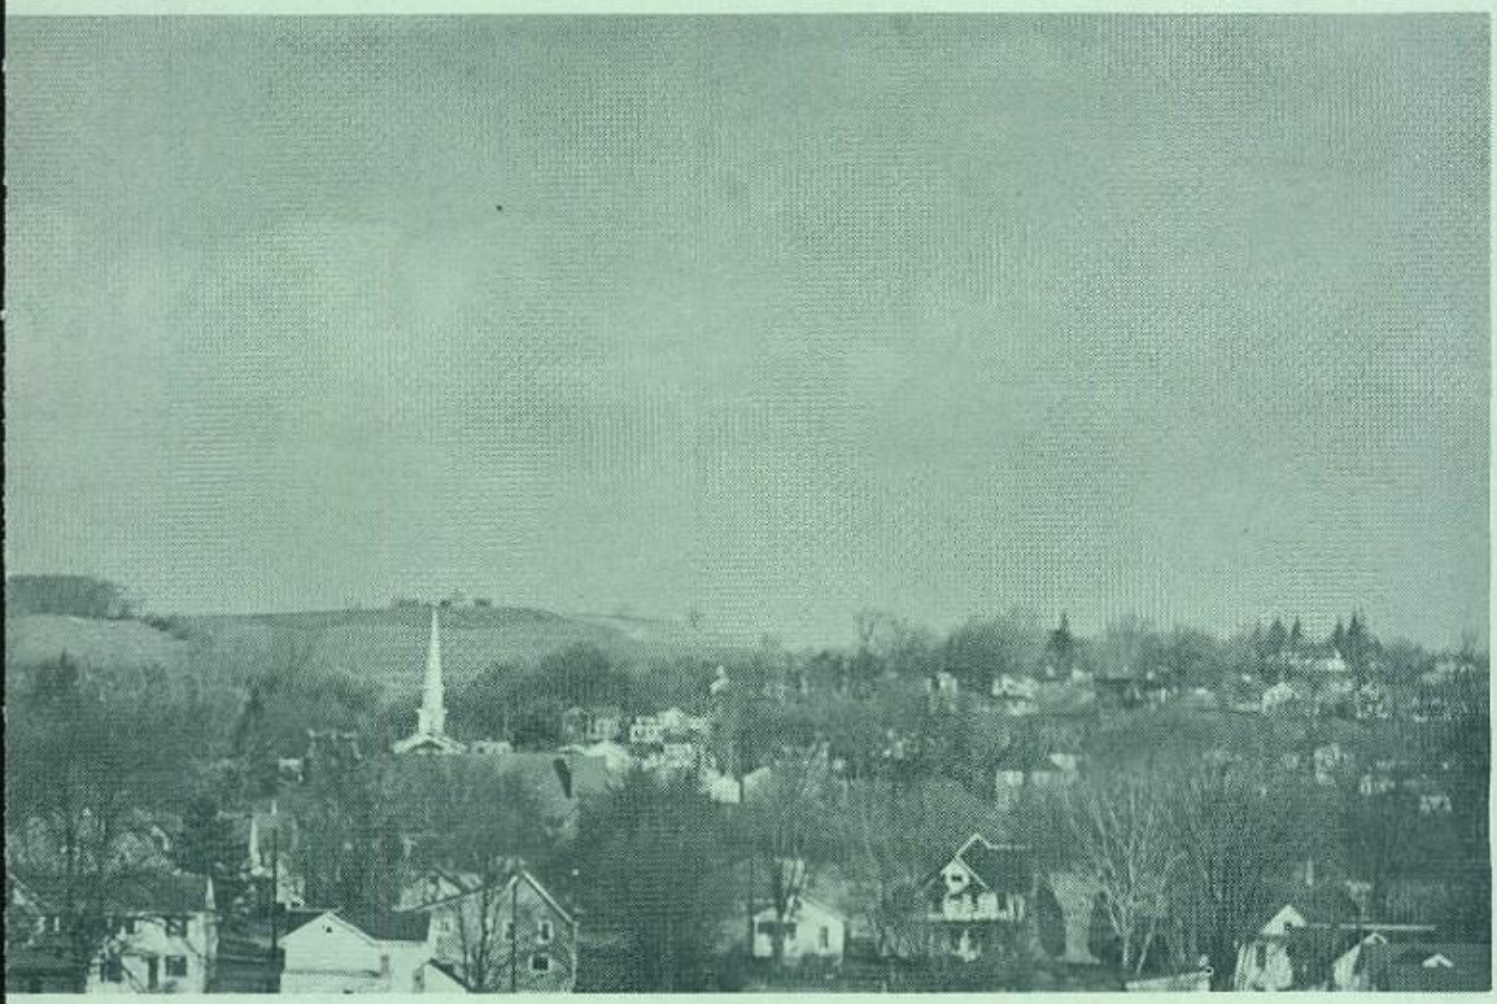
ALMA MATER

THERE ARE SONGS OF LOVE AND DUTY,
THERE ARE SONGS OF WAR AND FAME
BUT THE SONG THAT SOUNDS THE SWEETEST
IS OF ALMA MATER'S NAME.
IT BRINGS BACK SCENES FORGOTTEN
WHILE LOUD OUR VOICES RING,
WHEN IN HONOR OF OUR HIGH SCHOOL
WE ALL UNITED SING.



OH VICTOR HIGH, WE LOVE THEE
OUR ALMA MATER DEAR,
AND WE SHALL EVER HOLD THEE
TO OUR AFFECTIONS NEAR.
THY NAME, IT STANDS FOR HONOR
FOR COURAGE, CONSTANCY,
TO THEE, DEAR ALMA MATER,
WE PLEDGE OUR LOYALTY.

FOREWORD

WE, THE STAFF OF BAGEL, ARE HAPPY TO PRESENT THIS RECORD OF THE SCHOOL YEAR 1951-1952 AT VICTOR CENTRAL SCHOOL. WE FEEL THAT THE SCHOOL YEARBOOK IS A DOCUMENT WHICH MAY IN TIME BECOME PRICELESS TO MANY OF US, AND WE ARE GLAD TO CONTINUE THIS WORTHWHILE TRADITION.
WE HAVE CHOSEN "INDIANS" AS A FITTING THEME FOR OUR YEARBOOK. ONE TIME RULERS OF OUR COUNTRY, THE INDIANS WERE CAPABLE WARRIORS, WILLING TO FIGHT TO PRESERVE THEIR FREEDOM AND HOMELAND. THEIR STRONG FEELING OF UNITY STANDS AS A CRITERION FOR ALL OF US IN A TIME OF WORLD-WIDE UPHEAVAL.

DEDICATION

Mr. Charles Rose

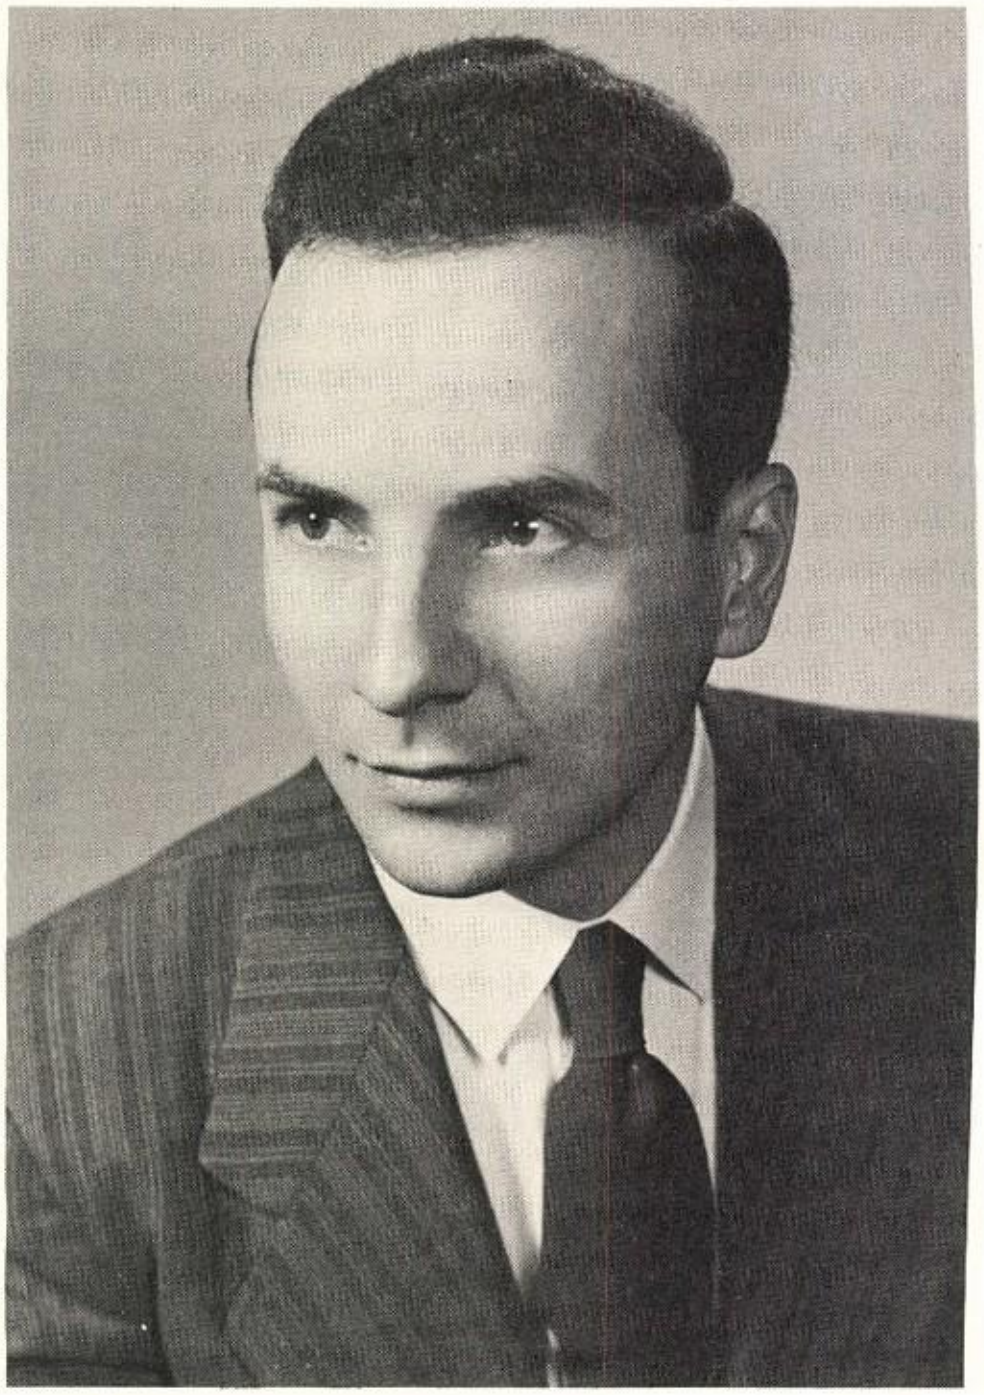
In dedicating our book this year, we have turned to a friend of long-standing. His efforts on our behalf have influenced our lives in school and will continue to influence us after we have passed on "into the wide world."

We have never known him to falter in his work as a teacher and friend. Many times we have experienced the satisfaction of just sitting down and talking over our future with him.

As our history teacher, we will always try to remember those ideals of American Democracy which he has implanted in us. We hope he'll pardon us, though, if we also choose to remember his readings from Gone With The Wind.

In closing, we would like to say to you very sincerely--thanks a million Mr. Rose!

APPRECIATION



Mr. Francello: We of the Bagel staff sincerely appreciate all that you have done for us in making this edition a success.

You have spent many patient hours working with us and have given up a great amount of your time. Your unselfish efforts have helped us achieve our goals with amazing ease and swiftness. Your faithfulness has been one of your outstanding virtues and your integrity has proved and inspriation to all of us. Although words can't express our gratitude, we shall always appreciate your generous aid.

GREAT CHIEF

Mr. Alton B. Corbit
Principal

Mrs. Boughton
Secretary

Dear Students:

Many, many, moons have come and gone since the Indian roamed the beautiful hills and vales of western New York. One frequently wonders what he would think of our civilization were he to return to **roam** again this area which he undoubtedly loved so much.

At our mechanized advance over the handicraft stage of his civilization, our modern Thruway, our combines, hay bailers, four bottom plows, our TV sets, our big beautiful schools, with the most modern of facilities, to encourage youth and their parents to obtain an education-he would naturally stand in awe.

As Abraham Lincoln so aptly put it-"The only real Americans were those who wore the breechcloth and carried the tomahawk." One might truly question, as the Indian returning to us from those relatively simple days of his era might question, just how civilized we really are, just what advance we have made in bringing up our children properly, in being able to live together peaceably, in leaving this world a little bit better than we found it.

Red Jacket-"He Who Keeps Then Awake"-eloquent Indian Chief of the Seneca Tribe, who was born near Geneva, New York, understood the white man well when he said, "You are a kind-hearted people, seeking your own advantages." Let us profit from our past mistakes with the Indians of that day with our neighbors of this day and resolve that we leave our community (**nation,** state, and school) a little bit better because of our having been here.

Sincerely yours,

Alton B. Corbit

HISTORY

In the fall of '39, 29 papooses left their mothers and launched their year education program. Our first two years were spent in the Gallup Block familiarizing ourselves with the English language.

With the completion of the modern new school we advanced along the trail to further education "on the hill". As sixth graders we proved our artistic and literary talents by painting a wall murrel depicting early pioneers in the West, and by editing our own grade newspaper.

Stepping up into the seventh grade, we found the idea of changing rooms for various classes novel and exciting, and the study of New York State Indians really fascinated us!

Moving along the trail, we had a successful freshman year with Mrs. Burns (then Miss Vande Voorde) and Mr. Palumbo as advisers. We elected Bob Smith, President, Elsie Hawkins, Vice-President, Francis Tischer, Secretary-Treasurer, and Connie Barry, Student Council Representative. Our class activities included an after dance, a tage-day and a Halloween Party at the Rod and Gun Club.

Our Sophomore year, Mr. Rose became our adviser and remained with us for the rest of our high school career. Bob Smith again was elected Class President, with Alice Herendeen, Vice-President, Francis Tischer, Secretary, Connie Barry, Treasurer and Elsie Hawkins, Student Council Representative. That year we won the Halloween picture window contest and again held a Halloween Party at the Rod and Gun Club. In an effort to add wampum to our Treasury, we sponsored a Donkey Basketball game, the Cole Circus, and a movie. We ended the year with a picnic at Nesbitt's cottage at Honeoye Lake.

As Juniors we had another active year. This time with the following officers: Connie Barry, President, Mary Lou Anderson, Vice-President, Pat Clifford, Secretary, Bob Gillis, Treasurer, and Alan Garlock, Student Council Representative. We again won 1st. Prize in the Halloween window painting contest, and augmented our treasury with our Halloween Round and Square Dance, ham supper, stationery sale, and sale od candy and pop at basketball games. In May, we sponsored the "Silver Slipper Prom". Again the year closed with a picnic at Nesbitt's cottage.

Our Senior year brought us to the realization that our formal education in V.C.S. was nearly ended. We elected Connie Barry, President, Elsie Hawkins, Vice-President, Pat Clifford, Secretary, Bob Gillis, Treasurer, and Jim McKeag, Student Council Representative. Our activities this year included Magazine subscription sales, the Senior Play, "Willie's Week-end", the Senior Ball, "Silver Bell Dance" and the Firemen's dinner.

During Easter vacation, we spent five wonderful days in New York City. Then we began preparation for Class Night, and Commencement. On June 20 caps and gowns replaced Indian blankets and we graduated from Victor Central looking ahead to our future careers.

SENIOR PLAY

"Willie's Weekend", under the capable direction of Mrs. Bebernitz, proved a great success.

Mrs. Ophlis Winkle, a typical "son coddler" was afraid her son Willie, would have a heart attack. If this happened his large inheritance would go to a cat hospital. Willie did have a heart attack, but in this case it concerned a pretty nurse called Eva instead of the thrombosis, his mother feared.

It all started when Willie was sent, in a convalescent state, to the "Bide Awee" Nursing Home while his mother redecorated their home.

First, he met Eva, and then he was made very much aware of the "befuddled" patients who believed themselves to be "Captain Kidd" and "Napoleon". Before you knew it, you were faced with a supposed burglary and kidnapping, topped off with a ransom note, a sprained ankle, an elopement, and many amusing and confusing incidents before the curtain came down on a side-splitting ending.

Among the events which netted us much wampum were the selling of pop and candy at the basketball games, the selling of stationery, the Junior Prom, two suppers, and a Halloween round and square dance. This wampum will be used to send us to New Amsterdam or as you know it today, New York City

This past year proved to be a very successful one even though we had very few money making activities.

For entertainment we had a Halloween party at which everyone had fun. In March we put on an assembly for the enjoyment of the student body. Next year we hope to do many things to increase our treasury for our future Senior trip.

We Freshman started our first high school years with 65 members.

With Mr. Francello and Mr. Totman as advisers, we have had a very successful year. Our main activity for this year was a tag day at the first basketball game. We also checked coats at the basketball games which helped to add to our treasury.

Our goal for this year is $50.

The fifth yearbook of Victor Central has been produced through the efforts of a hard-working staff. We accomplished our goals by working steadily, but we managed to have a great deal of fun also.

We wish to extend our appreciation to Mr. Francello for giving up so many hours to advise us with our project and to Editor and Assistant Editor, who have so capably supervised us in the completion of this issue of Bagel.

Victor's Varsity Basketball team was highly successful with Victor capturing the Finger Lakes B-C League. The Devils from Victor had sixteen wins and two losses.

Along with their fine basketball ability, Coach Lynaugh's Hoopsters had very much "espirit de corp" enabling them to capture many important games. The team's shooting percentage was far above average.

The paramount players were Don and Darvin Pegelow whose rebounding and shooting ability helped the team immensely. Our big pivot-man was Jimmy McKeag who also did his share of rebounding and shooting. Our guards were Gene Antonio and Lee Semmler who, although did little scoring, were often responsible for the baskets being scored. Francis Tischer and Bill Bennett saw considerable action as did the rest of the team. Victor had fine bench power, which, when not in action, was constantly backing the team.

Our first loss was to Naples, due to a press. However in the second Naples game the press by Naples was of little use to our opposing team. The Clifton Springs game was considerably tough. Victor drew a lead of fifteen points but experienced a regrettful loss in the end. On the whole, Victor was a championship team all the way.

Coach Lynaugh guided and led the team over the rough spots and urged them on to the top. The managers for the team were Howard Maltman and Bernard Clark.

Made up of a nucleus of Freshman and one Sophomore, the Junior Varsity showed fine spirit and playing ability. It is important to note that games lost were by close margins while the victories were often by a large number of points.

According to Coach Palumbo, the team had plenty of "hustle" and showed good fighting spirit.

Congratulations to our Junior Varsity and a pat on the back for that second place league standing they won this year.

Under our capable Coach, Carl Palumbo, Victor's Blue Devils had a very successful year with Victor, Red Jacket and Phelps tying for the Championship. This is Victor's second tie in two years.

Darvin Pegelow led in yards gained and Jack Barry was one of the most dynamic quarterbacks in the league, Jack as the passer and Francis Tischer as the receiver formed a fearsome duo to any opposing team.

Victor had a very fast defensive center under Danny Parshall. Tony Mangiamele and Gene Antonio were our agile defensive and offensive backs.

Our offensive center was Jim Mead, Donald Pegelow played left end and Vernon Underhill was a very able replacement at quarterback.

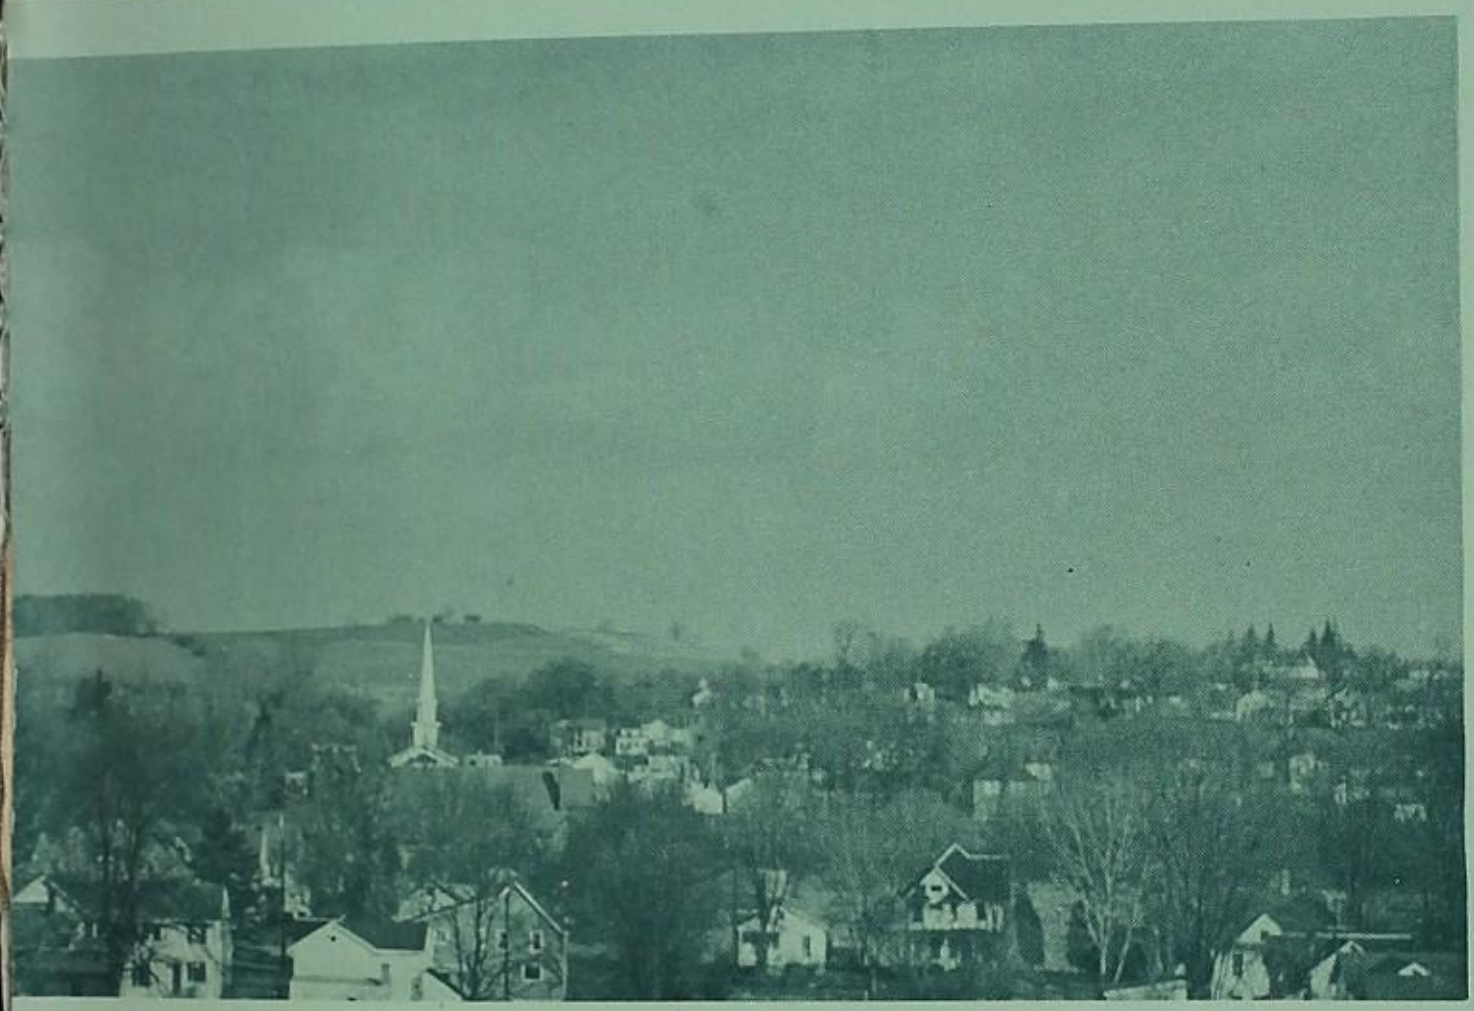
ALMA MATER

THERE ARE SONGS OF LOVE AND DUTY,
THERE ARE SONGS OF WAR AND FAME
BUT THE SONG THAT SOUNDS THE SWEETEST
IS OF ALMA MATER'S NAME.
IT BRINGS BACK SCENES FORGOTTEN
WHILE LOUD OUR VOICES RING,
WHEN IN HONOR OF OUR HIGH SCHOOL
WE ALL UNITED SING.



OH VICTOR HIGH, WE LOVE THEE
OUR ALMA MATER DEAR,
AND WE SHALL EVER HOLD THEE
TO OUR AFFECTIONS NEAR.
THY NAME, IT STANDS FOR HONOR
FOR COURAGE, CONSTANCY,
TO THEE, DEAR ALMA MATER,
WE PLEDGE OUR LOYALTY.

REFRAIN:
